

Anax

L O U N G E

Anax (Ἄναξ) is an ancient Greek word for “king”. It is one of the two Greek titles traditionally translated this way, the other being basileus, which also translates as sovereign. Anax can be interpreted more accurately as “high king”.

The word Anax in the Iliad refers to Agamemnon (Ἄναξ Ἀνδρῶν i.e. “Commander-in-Chief”) and Priam, kings who exercise overlordship over other kings.

This possible hierarchy of one “anax” exercising power over several local “basileis” probably hints to a proto-feudal political organization of Bronze Age Greece. The Linear B word wanakteros (wa-na-ka-te-ro), meaning “royal”, and the Greek word anaktoron (Ἀνάκτορον), meaning “palace”, are derived from wanax. Anax is also a ceremonial epithet of the God Zeus “Zeus Anax” in his capacity as overlord of the Universe, including the rest of the Gods.

The meaning of “king” of basileus in Classical Greece is due to a shift in terminology that took place during the Greek Dark Ages. In Mycenaean times, a quasireu appears to be a lower-ranking official, while in Homer, Anax is already an archaic title, used for legendary heroes and gods rather than for contemporary kings.

THE LUXURY COLLECTION COCKTAILS

TEARS OF CHIOS 15

(Inspired by Greece)

Vodka, Masticha Liqueur, Fresh Lime Juice, Fresh Grapes, Fresh Basil

PRIVEE 23

(Inspired by France)

Champagne, Passion Fruit, Crème De Gingembre

THE MAJESTIC

NEDA 400

Aen Metaxa, Orgeat Sirup, Aromatic Bitters, Mandarin Perfume

"Neda was Ocean's daughter and one of the three nymphs that raised Jupiter. The one and only female river of Greece, located in Peloponnese. Its waters spring from Mount Lycae, at the border of Arcadia-Messinia and constitute the natural border between Messinia and Ilia. Its waterfalls (smaller of seven metres and higher of twenty metres) naturally form turquoise pedestals ideal for diving, in the shade of the platinums. There where the eye meets the endless turquoise of the landscape, you will be looking for the fairies that must be hiding in the shadow of a rock."
